With a passion for branding and product development, Attorney Josh Hallenbeck strategically advises inventors, startups, small businesses and large corporations as they move from idea to marketplace. He is a registered patent attorney with the United States Patent & Trademark Office and works diligently with clients on patents, trademarks, copyrights, and other forms of complex intellectual property.

Experience

- Drafts and prosecutes patent applications for a wide range of arts.
- Conducts patent searches in a wide variety of disciplines and prepares other patent related opinions.
- Counsels clients on issues of patent infringement and patent misuse.
- Drafts non-disclosure and confidentiality agreements.
- Drafts and prosecutes trademark applications before the United States Patent and Trademark Office ("USPTO").
- Assists client with international trademark and branding issues including international trademark applications.
- Conducts trademark searches.
- Prepares, reviews, and negotiates licensing agreements.
- Represents clients in various proceedings before the Trademark Trial and Appeal Board ("TTAB") of the USPTO.
- Manages complex trademark portfolios and prepare brand strategy plans.
- Prepares and files complex copyright filings with the United States Copyright Office.
